Dear Moldovan Kindergarten Support Team,

Thank you very much for your support for the Moldovan Kindergarten. You are supporting an organization which impacts many children's lives in incredible ways every day. Here are a few examples:

- Madalina and Livia Ghetivu attend the Kindergarten and are learning more about God. Madalina recently asked God to come into her heart as Savior and Lord- what a praise!
- When Cristian Gutu first came to the Kindergarten, his mother warned the teachers about his terrible behavior. But with the love and attention from the teachers, he started changing into an amazing child. He, like other children at the Kindergarten, are neglected at home by parents addicted to alcohol or in other ways unable or unwilling to take care of their children.
- Adela Cotet, now 11 years old, reflected on her time at the Kindergarten: "We've also learned about God's love for us and made this day care even more special. Teachers there are always so helpful, so caring and loving."

**Unfortunately, funds to support the Kindergarten are low. In order to continue supporting the Kindergarten, \$3,600 is needed per month.** The teachers are currently being paid \$150 per month, but we would like to increase their salary.

Thank you for your continued support.
